

A BRIEF DESCRIPTION OF THE POLO BEACH CLUB

Situated on a quiet beach at the end of the Wailea Beach path, the Polo Beach Club enjoys a unique and exquisite sandy beach front location in one of the best spots in the islands. It is the home of many full-time residents, their families, and visitors. At our small "community", the endeavor is for a property that is somewhat quiet, and respectful of other persons and the surrounding nature.

A common question is "Are children OK?" - Yes. However, unlike some resorts in the area, there is no lifeguard and responsible adult supervision is required. Because of the more quiet nature of The Polo Beach Club, children might not feel comfortable with loud games, parties, etc.

Together, we've discovered over time that everyone - Owners and Visitors - will find greater enjoyment in our village atmosphere and allow everyone to enjoy their stay when we all follow some simple guidelines based on commonsense and courtesy to others. For example, if a location where loud partying is desired, there may be other accommodations that are better geared to this type of activity. Attached, you'll find an abridged version of our House Rules, which will ensure everyone's enjoyment - Visitors and Owners alike.

*The Polo Beach Club fronts on Polo Beach. As with all beaches in Maui, these are public beaches. They are great beaches from which to enjoy the warm waters of the Pacific. **But, please remember that the ocean is a powerful force. Enjoy it with care and caution.** Always recognize that waves sometimes are large and may cause a strong undertow and that, when you swim out from the beach, you may encounter strong currents.*

Hopefully this brief outline gives a feel for the atmosphere at the Polo Beach Club. . It may be that Polo is exactly what you are looking for, if so..... WELCOME, and enjoy your stay.
